Re: Texas Real Estate Commission Core Instructor Approval
TREC ID# 881028529

We have reviewed your instructor application and you are approved to teach core courses in the following subject(s) for a two-year term:

Subjects:	Principles of Real Estate	Law of Agency
	Law of Contracts	Real Estate Brokerage
	Real Estate Law	Promulgated Contract Forms
	Real Estate Finance	Real Estate Investments
	Real Estate Math	Real Estate Property Management
	Real Estate Appraisal	MCE Electives

Approval Term November 5, 2014 through January 31, 2017

This letter is proof that you are authorized to teach Core courses in the above subject areas for Commission-approved proprietary schools. Approval to teach Core courses also authorizes you to teach MCE elective courses. It is up to the MCE provider or school that hires you to determine whether you have the requisite content knowledge to teach specific MCE elective courses. You should be prepared to present this letter to each school or MCE provider that proposes to employ you as a Core or MCE elective course instructor.

If you wish to teach the TREC required MCE Legal Update, Ethics course and/or the Broker Responsibility course, you must become certified by attending instructor training sessions offered through the Real Estate Center at Texas A&M.

Effective January 1, 2014 approval to teach Inspector pre-license (Core) and inspector continuing education (ICE) courses require separate applications and fees. The applications are located at the TREC website.

It is important that you maintain a current email address with this office at all times. Please visit our website at <http://www.trec.state.tx.us> to obtain current information regarding TREC Rules, policies, and procedures.
