Re: Course Approval

Dear Mr. Porter:

The following course has been approved for the mandatory continuing education (MCE) Elective credit. Please note the expiration date for the course approval.

<b>Course Title:</b>	<b>Budgeting for Profit</b>
<b>Course Number:</b>	<b>03-00-056-26911</b>
<b>Effective Date:</b>	May 31, 2014
<b>Expiration Date:</b>	May 31, 2016

The expiration date noted above is valid as long as the provider approval remains current. In the event that the provider approval expires, all courses offered by the provider will also expire and further course offerings should cease.

As a reminder, legal credit will not be awarded for MCE elective credit courses. Instructors should familiarize themselves with the rules pertaining to the MCE program. Of particular relevance to instructors is Section 535.71 and 535.72 of the Rules of the Commission.

Please note the course title and course number. This title and number must be used in all advertising and in all correspondence with TREC. The course number identifies four types of information. The first two digits identify the total number of hours in the course. The second two digits identify the number of legal hours in the course. The three-digit number represents the month and year in which the course expires. The five-digit number is the unique number assigned to each course.

If you have questions regarding your providership do not hesitate to contact Education Specialist, Kim O'Connor at 512-936-3217.

Sincerely,

A handwritten signature in blue ink that reads "Kim O'Connor".
