

ANN ARBOR AREA BOARD OF REALTORS®

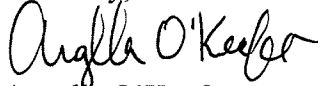

July 24, 2014

To Whom It May Concern,

In March 2014, we had the pleasure of having Mark Porter as our instructor for the Certified Residential Specialist course: CRS 206 Technologies to Advance Your Business. During the course, Mark taught REALTORS® with varying levels of technology experience valuable business tools to enhance marketability, save on business expenses and optimize efficiency. For two days, Mark taught with a hands-on teaching style, keeping the students engaged while covering a full menu of practical technology applications.

It was a pleasure to have Mark as our instructor for this high-level, REALTOR®-focused course, and we recommend him as a valuable teaching resource.

Sincerely,

Angella O'Keefe
